

Norton Lindsey Parish Council Action Plan, 2017-2018

This document identifies the three key actions for the Parish Council for 2017-2018 which build on our actions from 2016-2017.

| Aim | Action points | Completion date | Lead |
|---|--|------------------------|--------------|
| 1. To improve the quality, robustness and use of the Parish Council website | Transfer the website across to a secure server | June 2017 | JB |
| | Modify the website to be more user friendly | July/ August 2017 | JB |
| | Develop a 'community noticeboard', external village links, etc. | Aug. 2017 | JB/KS |
| | Monitor use by and acquire feedback from the community | Ongoing | JB |
| 2. To implement ways of decreasing the incidence of speeding through the village | Establish and train a Community Speedwatch Group (CSG) | July 2017 | JB |
| | Undertake speed checks at selected points through the parish | Ongoing | JB/MN/KS |
| | Determine the best range of speed calming measures, especially on Curlieu Lane and through Lower Norton, in conjunction with WCC | Nov. 2017 | JB/MN/KS/AML |
| 3. To support the redevelopment of the Village Hall and the continuing development of the Community Hub at the New Inn. | Attend relevant meetings, maintain close contact and monitor and support developments where appropriate. | Ongoing | All |
| | Provide financial support where appropriate and feasible. | Ongoing | All |
